MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT:

Agency Procedures in Connection with Prosecution in Criminal Cases Where Operational Security is involved

28 USCA 535

- 1. This momorandem contains a recommendation in paragraph 4 for approval by the Deputy Director of Central Intelligence.
- 2. The Inspector Ceneral recently proposed that Agency procedures for decisions concerning procedures in criminal cases which have operational occurity implications be formalized in writing. He suggested also the desirability of not reducing the procedures to a mother of regulation. We agree with these suggested only with Agency decisions with respect to proceeding (and other disciplinary actions). The Executive Director-Compireller and the DDCI need to be informed promptly on any occasion when there is indication that a crime may have been committed by an Agency employee or agent. The responsibility of Deputy Directors to so inform the Executive Director-Compireller and the Executive Director-Compireller and the DDCI continues.
  - 3. The following procedures are proposed:
  - a. When any component has information indicating that an Agency employes or agent may have committed a erime which involves Coverament money or preperty or may involve operational security, the Deputy Director of the component will report promptly to the Inspector Ceneral and the Ceneral Counsel.
  - b. The Dispector General will then conduct an investigation.
  - c. The importor Ceneral will report the results of his investigation to the Deputy Director of Central Intelligence, the Ceneral Counsel, and the Deputy Director of the

component having command responsibility for the employee or agent.

- d. The General Counsel will determine whether there is reasonable basic to believe that a crime has been committed.
- e. If the Concral Counsel determines there is no reasonable basis to believe that crime has been committed, be will so advise the Deputy Director of Central Intelligence, the inspector Concral, and the appropriate Deputy Director. Insofar as criminal presecution is concerned, the case will then be considered classes.
- f. If the General Counsel determines there is basic to believe that crime has been committed, he will discuss the operational occurity aspects with the appropriate Deputy Director and the inspector General. If there is agreement that the operational security aspects preclude prosecution the appropriate Deputy Director will so inform the Deputy Director of Contral Intelligence with a recommendation that the case not be referred to the Department of Justice for prosecution.
- g. If the three officials fall to agree or if they agree that possible prosecution should be further explored, the General Counsel will discuss the case in general terms with the Department of Justice is order to determine whether Justice is prepared to prosecute and, in the event the Justice attitude is in the affirmative, the neture and extent of the evidence which will be required for prosecution. The discussion will not reveal the identity of the individual nor the location of the incident.
- h. If the Department of Justice believes there is no basis for prosecution, the Coneral Counsel will so advise the Deputy Director of Central Intelligence, the Inspector General and the appropriate Deputy Director. Insofar as criminal prosecution is concerned, the case will then be considered closed.

SECHET

- i. If the Justice stitude to in the effirmative, the General Counsel will advice the appropriate Deputy Director of the nature and extent of the evidence required. The appropriate Deputy Director will intuited a memorandum to the Deputy Director of Central Intelligence in which he will recommend in favor of or against referring the case to the Department of Justice for prosecution. In these instances in which he recommends against referral, he will state the reasons for his recommendation in sufficient detail to permit review and decision by the Deputy Director of Central Intelligence. Such memorandum shall be forwarded to the Deputy Director of Central Intelligence. Such memorandum shall be forwarded to the Deputy Director of Central Intelligence through the Central Connect and the Inspector General for their concurrence or non-concurrence.
- 1. When the incident involves, either directly or indirectly, a component other than the component of the individual, the memorandum required in subparagraph it above shall be forwarded through the other interested component for concurrence or menopheurrence as well as through the General Counsel and the inspector General.
- k. The decision to refer or not to refer the case to the Department of Junkee for prosecution will be made by the Deputy Director of Central intelligence.
- i. In any case which is not referred for prosecution, placer about introduce or disciplinary actions may be recommended to the Deputy Director of Central Intelligence.
- m. In cases arising within the Office of the Director of Central Intelligence, the responsibilities of the Deputy Directors specified above will be discharged by the Executive Director-Comptreller.
- 4. Your approval of the foregoing procedures is recommended.
